

The Florida Behavioral Health Association's Board Meetings are a guaranteed way to get your company and mission in front of our membership. FBHA's members span from Pensacola all the way down to Key West, treat over 500,000 individuals each year, and provide services in every county in Florida. The community providers who make up FBHA serve the uninsured, underinsured, and the Medicaid eligible. With typical attendance of 60 to 80 people, our Board Meetings are a great place to network with behavioral health CEOs and their upper-level staff. FBHA holds four (4) in-person board meetings each year.
