Membership Meetings Sponsorship Opportunities

The Florida Behavioral Health Association's (FBHA) Membership Meetings are a guaranteed way to get your company and mission in front of our membership. FBHA's members span from Pensacola all the way down to Key West, treat over half a million individuals each year, and provide services in every county in Florida. Our members serve the uninsured, underinsured, and the Medicaid eligible. With typical attendance of over 80 industry leaders, our Board Meetings are a great place to network with behavioral health CEOs and their upper-level staff. FBHA holds four (4) in-person board meetings each year.
